

We're preparing for another major milestone in our merger — connecting all three credit unions onto one Prosperity banking system.

While Prairie Centre members will experience minimal changes, there are still a few important steps to take before and after the merger weekend.

BEFORE

Here's what you can do now to get ready and ensure a smooth transition:

- **Send and accept any INTERAC® e-Transfers** before November 21st at 5:00pm or on November 24th.
- **Deposit any cheques** through the mobile app that you'd like to process before the banking system merger.
- **Plan ahead for payments:**
 - Pay any **bills due November 22–24** by **November 19** to avoid delays.
 - Complete any critical banking transactions before **5:00 p.m. on Friday, November 21**.
- **Be prepared:** While we expect your **debit card to work as usual** during the merger, it's always smart to have an **alternative payment method** (like cash or credit card) available — just in case there are short service interruptions.

AFTER THE MERGE

Here's what to expect:

- If you use our mobile app, you may be prompted to **update to the new Prosperity App Sunday evening or early Monday, November 24**. If your app updates automatically, you don't need to do anything.
